Attendees: Kirneill, Danny, Goncalo, Lenyn

Start time: 9:00 PM

End time: 10:00 PM

The following user stories were created/discussed/refined/prioritized. All user stories were discussed and addressed to the user stories below were groomed on backlog.

#11 Adaptive Quiz Generator

As a student, I want quizzes generated from my notes so I can reinforce weak topics automatically.

#12 Study Session Tracker

As a student, I want my study sessions timed and logged so I can monitor consistency and productivity.

#13 Shared Study Rooms

As a student, I want to create or join study rooms with friends so we can collaborate in real time.

#14 Smart Progress Dashboard

As a student, I want to visualize mastery by subject so I know what to review before exams.

#15 AI Study Plan

As a student, I want the app to build a personalized weekly study schedule based on deadlines and performance so I stay on track.
