

Sprint Review Meeting

Team: Kirneill, Danny, Goncalo, Lenyn

Meeting Time: 7:00m to 8:00pm

Meeting Date: May 31st, 2026

1. Purpose

Review what the team completed during the sprint, demonstrate working results, collect feedback.

1. Spring Goal

Get everything ready for submission

1. Agenda

- Feedback
- Show testing

2. Work Completed

- Setup each environment and devices

3. Demo Notes

- Presenters: Kirneill, Lenyn,
- Shown to:
 - Demo demonstration of frontend

1. Testing Summary

- Front end comes out to be sturdy enough although its design can be further improved visually

2. Feedback

- Backend and front end works as they are

1. Decisions Made

Next week, sprint, we are gonna start working back on

2. Backlog Updates

- New updates regarding new setup and approach were set

3. Action Items

Item	Owner	Due	Success Metric
Dev	Kirneill	End of sprint	Show progress
Analytics	Danny	End of sprint	Check performance
Check	Goncalo	End of sprint	Demonstrate samples
Organize, document	Lenyn	End of sprint	Show

1. Risks

- Due many projects across classes, time is a constraint and tradeoff to be aware of so work may be delayed

1. User Stories

- Each member worked on 5 user stories depending on their individual focus of to-do's.
