Sprint Backlog Grooming Meeting Minutes

Attendees: Kirneill, Danny, Goncalo, Lenyn

Start time: 9:00 PM

End time: 10:00 PM

The following user stories were created/discussed/refined/prioritized. All user stories were discussed and addressed to the user stories below were groomed on backlog.

#16 Raw Notes Digester

As a student, I want to upload raw lecture files or text so the AI can automatically extract key concepts and generate structured summaries.

#17 Dynamic Flashcard Creator

As a student, I want flashcards automatically generated from my digested material so I can practice active recall without making cards manually.

#18 Conceptual Gap Finder

As a student, I want to chat with an AI tutor about my materials so it can pinpoint my hidden knowledge gaps through targeted questions.

#19 Real-World Analogy Generator

As a student, I want the AI to explain complex concepts using simplified analogies so I can understand abstract topics faster.

#20 Shared Material Merger

As a student, I want to merge my digested notes with my friends' notes in a study room so the AI can generate a comprehensive master quiz for all of us.
