Action Items

Item	Owner	Due	Success Metric
Dev	Kirneill	End of sprint	Show progress
Analytics	Danny	End of sprint	Check performance
Review	Goncalo	End of sprint	Demonstrate samples
Document	Lenyn	End of sprint	Show

Risks

- Due many projects across classes, time is a constraint and tradeoff. Project documentation might be a little bit weak due the nature of Scrums. Project poster was done following a single person decisions

1. User Stories

- Each member worked on 5 user stories depending on their individual focus of to-do's.
